Fall Business Networking Event for Boomerpreneurs

Share

92

Tweet

On November 5, many local Boomer Entrepreneurs joined together at Shoeless Joe's on Courtney Park Drive. Boomerpreneur Network founder, Rosonna, has now partnered with PamTen in order to bring the Boomerpreneur Network worldwide. This will give help, encouragement and resources to baby boomers across the world! This meeting was the first for the Boomerpreneur Network and they hope to bring everyone together a couple of times per month. At these meetings, everyone shares business cards, mingles and networks among other like-minded individuals and business owners.
